The Management,  
Ganges Valley School  
Hyderabad.

Greetings Team,

I feel very fortunate to witness the Independence Day Celebrations organised by your esteemed school on Monday, 15th August, 2016.

The event was indeed very well planned, excellently managed and perfectly executed. A *Masterpiece* showcased.

Principal Ma'am's words were really inspiring. She is a visionary Principal and definitely is continually putting in efforts to put this School at the top of the list. I am sure these efforts are well supported by her hardworking team dedicatedly.

The two performances by the children were really heart winning, no doubts they stood victorious at inter school competitions too.

The team which had planned the event also has done a great job . Instilling the importance of Caring & Sharing towards the society in the young minds definitely has worked its way and proven through the two humongous Donation Drives (Notebook and help to the Blind School) that were spoken about and I am positive that there are many more such activities going on.

The unique and innovative Birthday Song sung for our beloved Director Vani Ma'am was just an icing on the cake for the excellent talent that this School has.

Kudos to all the champions of the Ganges Valley Team for putting up an extravaganza opulent with patriotism . Special thanks to my sister Sujatha for inviting me and Chanchala Ma'am for granting me the permission to witness this fabulous event.

I wish this School all the very best for all its future endeavors. May Lord Swaminarayan and His Holiness Param Pujya Hariprasad Swamiji bless and guide all of us always in contributing towards building a Stronger, Wiser and Better India.

Gratitude, Respect & Regards,

Amrish Rathod  
(Mumbai)

THANK YOU
