

Dear Parent,

Greetings from Ganges!

We wish to bring to your notice the following changes introduced by the CBSE in the subject of Mathematics. The board has decided to introduce two levels of examination in Mathematics for the students who are going to appear in the Board examination in March 2020 and thereafter. The details of this scheme are as under :

- First level would be the same as the existing one, and the other would be an **EASIER LEVEL**.
- The **nomenclature** for the two Examinations will be;
  - a. **Mathematics-Standard for the existing level** of examination
  - b. **Mathematics-Basic for the easier level** of examination.
- The **syllabus, class room teaching and internal assessment for both the levels of examination would remain the same**; so that the students get an opportunity to study the whole range of topics throughout the year and are able to decide upon the level of Board examination depending upon their aptitude and abilities.
- **The Standard level will be meant for students who wish to opt for Mathematics at Sr. Secondary level and the Basic level would be for students not keen to pursue Mathematics at higher levels.**
- A student will have the right to choose between the two levels of Examination at the time of submission of List of Candidates (LoC) by the affiliated school to the Board online.
- In case student fails at any level of Mathematics, he/ she can appear at the compartment examination as per norms of the Board according to the options given below:

In case of failure in	Compartment options
Mathematics -Basic	Mathematics-Basic *
Mathematics-Standard	Mathematics Standard or Mathematics-Basic

**\*A student who qualifies the Mathematics-Basic, shall be given an option to appear in Mathematics-Standard at the time of Compartment exams as per norms of the Board, in case he/she changes his/her mind to pursue Mathematics at Senior Secondary level.**

- We request you to specify whether you want your ward to choose Mathematics – Standard or Mathematics – Basic for the Class X in the tear off slip provided below by 17<sup>th</sup> August 2019.

Regards
