Dear Parent

We extend a warm welcome to the academic session once again. We promise that the year 2019 – 2020 will be a very eventful and exciting year keeping in mind the activities we have planned for your child. In order to offer all round holistic development, we have included several options for your child as a part of **work experience** classes that have been prescribed by the CBSE. The following options are being offered. You are requested to select two options and mention them in the order of preference in the tear off slip attached below.

<p><u>Culinary Skill</u> Students hone their basic cooking skills through some fireless delights they will prepare at school. <i>Students will be required to bring some basic ingredients from home.</i> Students opting for this are required to pay Rs 200 for procurement of other material.</p>	<p><u>Gadget Geeks</u> Students will explore the wonderful world of science and unravel the mystery behind the functioning of simple devices we use in our everyday life. Students opting for this are required to pay Rs 200 for procurement of material.</p>	<p><u>Computer Science</u> The course will offer an opportunity to learn and explore some interesting and useful computer languages that students enjoy.</p>
<p><u>Textile Designing</u> Students can dabble with paints and blocks and get hands on experience of creating different art forms like block printing and tie and dye. <i>Students will be required to bring some basic materials like a piece of cloth etc.</i> Students opting for this are required to pay Rs 200 for procurement of material.</p>	<p><u>Safety and First Aid</u> Students learn the different techniques of providing first aid in cases of emergency and accidents. This will give them very useful knowledge and experience which they can use in their daily lives.</p>	<p><u>Pottery</u> Students will get an opportunity to make beautiful items like pots, jugs etc. from clay and colour them with vibrant colours. Students opting for this are required to pay Rs 200 for procurement of material.</p>

Kindly pick the option chosen by you and return it to the Class Teacher through your child at the earliest before 20.06.2019. This will enable us to plan and prepare for the classes.

Regards
